home also provides a substantial economic and environmental boon to local communities, by adding an average of 52 jobs for every \$1,000,000 invested and by reducing carbon dioxide emissions by an average of 1 ton per weatherized household.

I think that we owe it to ourselves and, more importantly, to our future generations, to continue to improve the awareness of all Americans of the importance of energy conservation, pollution reduction, and safer homes. By having a designated Weatherization Day, we will provide much-needed attention to this issue.
